Marcia and everyone, I am a little behind and don't know the status of this request but I am available during the morning of the 20th or after 3:00. VTC works for me. We have not had the meeting with HQ yet. That will be this Wednesday. Michael will you develop a short explanation of the process and we should have a pre-briefing that includes Marcia, Phil, Patty and Cara. Thanks

Subject: Pebble Partnership meeting request

Hello Rick and Michael--

I just received a request from John Shively and Ken Taylor with the Pebble Partnership to meet on the afternoon of September 20. They would like to understand the 404c request that we've received, the process, and what that means. I told them I would invite you folks and check your availability. How would you like to proceed?

We can use our large conference room and VTC capability. Please let me know your interest and availability so that we can get the room and equipment reserved. And of course, if I'm completely missing something here, let me know. Thank you.
